

Unapologetically sustainable

Come on our sustainable journey with us !

Reduce waste, conserve water and help us achieve net-zero goals by 2045

Thoughtful Daily Cleaning

- We carry out a light clean every day, including:
 - Refreshing your supplies
 - Emptying your bins
 - Making your bed
- On the fourth day, we provide a full clean of your room for a deeper refresh.

Your towel, Your choice

Help us conserve water and energy

- Towels hung up will be left for you to reuse.
- Towels left on the bathroom floor will be replaced during your light clean.

It's a small choice that makes a big difference.

Perfectly Imperfect Linen

We proudly use linen crafted from 100% natural, ethically sourced fibres. To extend the life of our linen and reduce textile waste, you may occasionally notice:

- Tiny pin-prick holes
- Slight threadbare marks

Rest assured, every piece of linen is thoroughly cleaned to the highest standards, ensuring comfort and hygiene.

Your small choices make a big impact. Together we are creating a greener future
